

Ken Hamm In Concert

Juno-award-winning guitarist Ken Hamm brings his repertoire of original and traditional blues and roots material to town for a concert at_____. Over the past 34 years Ken has built an international reputation through extensive touring in Canada, Africa, the UK, and continental Europe. He has 8 CDs to his credit and is currently touring to promote the release of Live '05, a double CD set of live recordings of blues and original favourites.

Ken is also well-known as a guitar instructor, offering courses from two hours to five days in length. His hard-driving fingerstyle and slide techniques are the envy of many players and he is pleased to share his knowledge in a workshop setting.
